

## New RHC Application Process - Indiana

### Application Packet

Clinic completes and sends packet to the State and Medicare.

### Medicare Initial Approval

Medicare will initially approve the 855A application and send it to CMS for final approval.

### Apply to Surveying Agency for an Initial Survey

Clinic applies to their surveying agency to schedule an initial survey.

Clinics will need a copy of the 855 Approval letter from Medicare's website.

### Final Approvals

The State will make their final approval once they receive notice of a successful survey directly from the surveying agency. The State will send their final approval to the CMS Regional Office.

CMS will make their final approval for the new RHC once they receive the final approval from State.

### CCN is Assigned

The clinic is assigned a CMS Certification Number (CCN) and can begin business as a RHC.
