8 Hour MAT Waiver Training

Date/Time: Tuesday, August 18, 2020, 8:00 a.m.

Location: Biltwell Event Center, 950 S. White River Parkway W. Drive, Indianapolis, IN, 46221

Target audience: This activity will assist physicians, nurses, physician assistants and psychiatrists who wish to apply for a waiver to prescribe buprenorphine for the treatment of opioid use disorders.

DATA Sponsor: AAAP is the DATA 2000 Sponsor for this training

Registration: www.indianaruralhealth.org/MAT_Training

Fee: No Cost

Educational Objectives:

- ✓ Screen and identify patients with OUD and define evidence-based treatments.
- ✓ Discuss the pharmacology of opioids as it relates to treatment of opioid use disorder (OUD) patients.
- ✓ Describe the fundamentals of office-based opioid treatment including the treatment of the co-morbid patient.
- ✓ Explain the process of buprenorphine induction as well as stabilization and maintenance.
- ✓ Discuss all FDA approved antagonist and agonist medications to treat OUD.
- ✓ Discuss basic office protocols including medical record documentation and confidentiality.
- ✓ Utilize evidence-based resources to ensure providers have the confidence to prescribe buprenorphine for patients with OUD.
- ✓ Recognize the importance of obtaining a waiver to begin treating patients with OUD.

Funding for this initiative was made possible (in part) by grant no. 1H79T1081968 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
