## ON-SITE TELEHEALTH SOLUTION

At WhiteBark, we know how important your bottom line is and how your employees' health plays a big part in that. Designed with you in mind, we offer an easy-to-use telehealth solution you can implement on site quickly and with minimal training.

### On-site Convenience

Utilize our platform to bring the doctor's office to your staff. Employees can connect with a doctor from a private location within your company reducing the amount of sick time used.

### Improve Productivity

Healthy employees means high productivity. Ensure your staff has the best opportunity to complete their yearly wellness exam, refill RXs, tend to their behavioral health and more.

### Economical Fee Structure

Our team understands the financial challenges business owners face. That's why our platform is the most cost-effective solution on the market to protect your bottom line.

## Clients choose us!

Let's get started with a one-on-one consultation. Our WhiteBark Telehealth team is available to answer all of your questions and help you launch a successful telehealth program.
